Translating Experience into Professional Story

AYA'S RESUME NOTE

Your resume is a living record. It evolves as you evolve. Use this page to organize your experience in a way that feels clear, credible, and easy to update.

1) Header

Name: _____

City / Base: _____

Email: _____

Phone (optional): _____

Website / Portfolio / Reel: _____

Social link(s) (optional): _____

Representation (if applicable): _____

2) Your Lane (Optional, but helpful)

This is not a limitation. It is clarity.

My primary lane(s) right now is/are:

3) Credits / Experience

List what applies to your creative path. Keep it clean and honest.

Film / TV / Digital

CREATIVE RESUME

Creative Resume Builder, continued

Languages / accents / vocal skills (if applicable):

Tools (editing, design, software, equipment, etc., if relevant):

6) Proof, Training, Range (Quick Check)

Your resume quietly communicates three things:

Proof (what I've done): _____

Training (how I've prepared): _____

Range (what I can reliably deliver): _____

7) Update Rhythm

Date last updated: _____

Next update check-in: _____

NEXT STAGE ACTION

Choose one resume section to update before the week ends. Your creative story becomes more professional when you keep the record current, clear, and easy to share.
